Notes:

p. 7 - line 1, birthplace likely Willow Bunch (crossed out and province written in)

Prudent Lapointe began enumerating the sub-district on June 28th, 1906 and completed on July 21st, 1906.

Regarding the surname McDillis" This name should likely be McGillis. I consulted the Willow Bunch local history book (Poplar Poles and Wagon Trails. Willow Bunch, SK: Willow Bunch Historical Committee, 1998.) and the Western Canada Land Grants database on ArchiviaNet, National Archives of Canada website (www.archives.ca). There were no instances of the name McDillis in either source. However, there were several for McGillis.

In all cases where I was unsure of the entries, I consulted the above-mentioned sources to clarify the information.

to decipher a part of a name, I inserted an underscore where the missing letters should have gone with a question mark at the end of the name
