Notes:

p. 6, lines 10-18 - Laurie Kent, Gr D to Herbert indicates that the census enumerator mistakenly exchanged the household head's given name with the family's surname. There are other errors as well. The original transcription is above, but corrections appear in square brackets.

Terms of Use:

The data found on this webpage is the result of work by volunteers as a finding aid to the microfilm/online census images and many be found in error. As a result, there is no guarantee that the information is accurate. This information may be considered a first step to finding the correct page in the microfilm/online image. Even that is subject to enumerator and respondent error. Please report transcription errors to the webster at AFHS.
